Medication Safety: An Opportunity for Collaboration in Simulation

Cynthia Carlin MSN-FNP, RN
Rita Deininger MS, RN
Carolyn Yoder MSN, RN
Medication Safety: An Opportunity for Collaboration in Simulation

Objective

∞ Participants will identify the value of intra-professional collaboration in implementing a QSEN student learning activity.
Background

“All these pieces?!”
Medication Safety: An Opportunity for Collaboration in Simulation

Process

“How does this all fit together?”
Medication Safety: An Opportunity for Collaboration in Simulation

Opportunities
Medication Safety: An Opportunity for Collaboration in Simulation

Questions?
